

SHANON

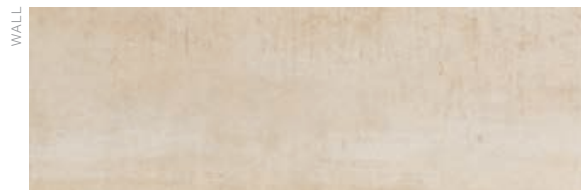

The evolution of industrial style offered by the use of chemically processed metal sheets finds its greatest expression in the SHANON series, which combines style with being easy to fit and benefits in terms of the product's composition and maintenance, allowing spaces to be created in which it is part of both cladding and paving.

55075 Shanon White

55037 Shanon Grey

55051 Shanon Cream

55068 Shanon Oxide

55044 Shanon Graphite

TECHNICAL CHARACTERISTICS

	APPLICATION	WALL
	FINISH	MATTE
	CLASSIFICATION	N/A
	COLOR VARIATION	V2
	THICKNESS	9.7MM
	EDGE FINISH	RECTIFIED
	PRINTING	DIGITAL
	WATER ABSORPTION	N/A
	USAGE	COMMERCIAL / RESIDENTIAL
	STAIN RESISTANT	YES
	FROST RESISTANT	YES
	TYPE	CERAMIC
	COUNTRY OF ORIGIN	SPAIN
	RECYCLED CONTENT	N/A
